Financials as per Ind-AS

SHARE CAPITAL

During the year under review, the Company has allotted 2,50,00,000 equity shares of Rs. 10 each aggregating to Rs. 25 Crores on rights basis to meet fund requirement of Project. The shareholding of the Company as on 31st March, 2022 is as follows:

Sr. No.	Name of the Shareholder	No. of shares	% holding
1	Gujarat State Petronet Limited	31,56,40,000	52
2	Indian Oil Corporation Limited	157820000	26
3	Bharat Petroleum Corporation Limited	6,67,70,000	11
4	Hindustan Petroleum Corporation Limited	6,67,70,000	11
	Total	60,70,00,000	100

FIXED DEPOSITS

The Company has not accepted/ invited any Fixed Deposits during the year.

DIVIDEND

Since no distributable profit is available, the Board of Directors does not recommend any dividend for the year under review.

OPERATIONS & PROJECT STATUS

Your Company was incorporated as a Special Purpose Vehicle for implementing the Mallavaram- Bhopal -Bhilwara - Vijaipur Pipeline Project (MBBVPL). The total length of the pipeline is approximately 1881 Kms. The pipeline will traverse through the State of Andhra Pradesh, Telangana, Maharashtra, Madhya Pradesh, Rajasthan and Gujarat.

Laying of pipeline requires various approvals, clearances, permissions etc. from multiple authorities including ROU, Environment clearance, wildlife & forest clearances, permissions from other authorities etc. There have been inordinate delays in receiving these statutory approvals/ permissions by the Company and drastic reduction in RIL KG D6 leading to non-realization of envisaged gas demand enroute MBBVPL. Almost all of the permissions have been obtained by the Company, but the same have been received progressively. Accordingly, keeping in view the progress achieved in obtaining various statutory clearances and available gas source & demand, the Company had awarded EPC Contract to M/s KPTL for development of Pipeline and Associated facilities from Kunchanapalle Dispatch Terminal, Andhra Pradesh to Ramagundam Fertilizers & Chemicals Limited's (RFCL) Plant at Ramagundam, Telangana. The map showing the section implemented is enclosed herewith as **Annexure -I**. The said section has been commissioned and the Company has started gas transportation to RFCL in the year 2019-20. During FY 2021-22, the Company has transported approx. 444 MMSCM of gas and has earned revenue of Rs. 53.89 Crores (excluding taxes) through transportation of gas.

Deliberations on implementation of balance section were held at various levels including Ministry of Petroleum & Natural Gas, Government of India & PNGRB. Consequently, IOCL, one of the Promoters of the Company, explored equity restructuring for development of balance MBBVPL and concluded that IOCL is not in a position to increase shareholding in GITL. Recently, the Company has been directed by PNGRB to submit firm commitment for completion of balance MBBVPL. The Company is deliberating to submit to PNGRB that the Company will develop balance MBBVPL based on improvement in gas demand/supply scenario and till that time non-availability of gas from upstream and non-availability of downstream customers should be treated as Force Majeure and development of balance MBBVPL may be kept in suspension on account of the same during such period.

DIRECTORS & KEY MANAGERIAL PERSONNEL

The Company has appointed Shri Dilip Kumar Pattanaik and Shri Suman Kumar as an Additional Directors w.e.f. 6th April, 2022 and 6th September, 2022 respectively on the Board of the Company since the last Annual General Meeting. They will hold office upto the date of ensuing Annual General Meeting as per provisions of Section 161 of Companies Act 2013 and the Articles of Association of the Company. It is proposed to regularize their appointment at the ensuing Annual General Meeting.

Pursuant to provisions of Section 152 of the Companies Act, 2013, Shri Sanjeev Kumar, IAS and Shri M K Sharma will retire by rotation and being eligible, have offered themselves for re-appointment.

For your perusal, a brief resume of the Directors being appointed / re-appointed and other relevant details are given in the Notice convening the Annual General Meeting. The Board of Directors recommends their appointment / re-appointment for approval of the shareholders of the Company.

The following Directors have resigned pursuant to change in nomination by concerned Promoter Company:

Name	Date of resignation
Shri Anil Mukim, IAS	31.08.2021
Shri J S Prasad	31.03.2022
Shri Debasish Nanda	09.07.2022

The Board places on record its appreciation for the services rendered by them during their tenure as Directors on the Board of Company.

Shri Prakash Karnik, has been appointed as Incharge Chief Executive Officer. Shri Pravin Amin and Shri Nilesh Patel have been appointed as Chief Financial Officer and Company Secretary respectively.

INDEPENDENT DIRECTORS

Dr. Sudhir Kumar Jain has been appointed as an Independent Director on the Board of the Company w.e.f. 13th November, 2019 for a term of 3 years i.e. upto 12th November, 2022 as per the provisions of Section 149 and 152 of the Companies Act, 2013. Dr. Jain being eligible and qualified for re-appointment for a further term, the Board has approved his re-appointment for a term of three years w.e.f. 13th November, 2022 subject to approval of shareholders. Dr. Jain has given a declaration that he meets the criteria of independence as provided in Section 149(6) of the

Companies Act, 2013. It is therefore proposed to recommend his re-appointment at the ensuing Annual General Meeting.

Smt. Shridevi Shukla has been appointed as Woman Independent Director on the Board of the Company w.e.f. 8th June, 2020 for a term of 3 years i.e. upto 7th June 2023 as per the provisions of Section 149 and 152 of the Companies Act, 2013. Smt. Shridevi Shukla has given a declaration that she meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013.

Based on the disclosures and declarations received from Independent Directors, the Board is of the opinion that they possess requisite experience & expertise.

The Audit Committee of Directors of the Company at its Meeting held on 29th April, 2022 approved the Annual Accounts for the year ended on 31st March, 2022 and recommended the same for approval of the Board.

NOMINATION AND REMUNERATION COMMITTEE

As mentioned above, the Company being a joint venture is exempted from the requirement of constituting Nomination and Remuneration Committee. However, the Company has voluntarily constituted the Nomination & Remuneration Committee and present constitution of the Committee is as follows:

Shri Prakash Karnik	Chairman
Dr. Sudhir Kumar Jain	Member
Smt Shridevi Shukla	Member

Ministry of Corporate Affairs has vide notification dated 5th June, 2015 exempted government companies from disclosing company's policy on appointment & remuneration of Directors and other matters provided under sub-section (3) of Section 178 of the Companies Act, 2013. Your Company being a Government Company is exempted from disclosing the said particulars in Directors' Report.

VIGIL MECHANISM

The Company has established a mechanism for directors and employees to report concerns about unethical behavior, actual or suspected fraud, or violation of the Code of Conduct and Ethics. It also provides for adequate safeguards against the victimization of employees who use such mechanism, and allows direct access to the chairperson of the Audit Committee in exceptional cases. The same is available on the website www.gspcgroup.com/GITL.

BOARD EVALUATION

The Company being a joint venture company promoted by government companies viz. GSPL, IOCL, BPCL and HPCL, Directors on the Board are nominated by Promoters in terms of Articles of Association and Joint Venture Agreement.

The Board has carried out the performance evaluation of the individual Directors, the Board as a whole and the statutory Committee(s) of Directors based on the criteria for the evaluation of the performance stipulated in the Policy. The Directors were satisfied with the evaluation result.

QUALITY, HEALTH, SAFETY & ENVIRONMENT

The advancement of new technology creates fresh challenges in pursuit of better quality and the organizations that are able to meet these challenges will sustain for long. It is the quality management system based on the principles Plan, Do, Check and Act for an organization dependent on customers satisfaction, continuous improvement and “prevention is better than cure”.

Your Company has implemented QHSE Integrated Management System (IMS) as per latest ISO standards i.e. ISO 9001:2015 for Quality Management System (QMS), ISO 14001:2015 for Environmental Management System (EMS) and ISO 45001:2018 for Occupational Health and Safety Management System (OHSAS). Training program for internal auditors has been conducted. Performance of IMS is being assessed periodically through audits and management reviews meeting and IMS meets the requirements of standards and organizational objectives.

Your Company firmly believes in demonstrating excellence in Quality, Health, Safety and Environment and has framed a QHSE Policy highlighting the commitment to implement Quality and ensuring safety of all personnel working under our control and promote harmony with Environment. As a responsible

Corporate, Your Company endeavors to keep its employees fully aware of HSE aspects through extensive awareness and training.

DIRECTORS' RESPONSIBILITY STATEMENT

Your Directors hereby confirm that,

- (a) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company as at 31st March, 2022 and of the loss of the company for that period;
- (c) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the Directors had prepared the annual accounts on a going concern basis; and
- (e) the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

RISK MANAGEMENT

Risks associated with the business of the Company, if any, are brought to the notice of Board from time to time and deliberations are held to avoid / mitigate such risks. The Board will develop a Risk Management Policy of the Company in future considering the Project requirements.

RELATED PARTY TRANSACTIONS

All related party transactions entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The Audit Committee has granted omnibus approval for related party transactions and the details of all the transactions entered into with related parties are placed before the Audit Committee for its review. During the year under review, there were no contracts/ arrangements/ transactions with related parties requiring disclosure in Form AOC - 2 of the Companies (Accounts) Rules, 2014. However, your attention is drawn to Note No. 35 of the Financial Statements regarding the disclosure of the Related Party Transactions.

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA
UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE
FINANCIAL STATEMENTS OF GSPL INDIA TRANSCO LIMITED FOR THE YEAR
ENDED 31 MARCH 2022**

The preparation of financial statements of **GSPL India Transco Limited** for the year ended 31 March 2022 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139 (5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143 (10) of the Act. This is stated to have been done by them vide their Revised Audit Report dated 14 June 2022 which supersedes their earlier Audit Report dated 29 April 2022.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of **GSPL India Transco Limited** for the year ended 31 March 2022 under Section 143 (6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

In view of the revisions made in the statutory auditor's report, to give effect to some of my audit observations raised during supplementary audit, I have no further comments to offer upon or supplement to the statutory auditor's report under Section 143(6)(b) of the Act.

For and on behalf of the
Comptroller and Auditor General of India

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
GSPL India Transco Limited
GSPC Bhavan, B/h Udyog Bhavan
Sector-11, Gandhinagar-382 011

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **GSPL India Transco Limited**. The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on **31st March, 2022** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there-under complied with by the Company voluntarily during the period under review.
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings are not applicable to the Company during the period under review.
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') *are not applicable* to the Company during the period under review.
 - (i) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (ii) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (iii) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (iv) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - (v) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (vi) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (vii) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

I further report that having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws applicable specifically to the Company:

- (i) Petroleum and Natural Gas Regulatory Board Act, 2006 and rules and regulations made there under.
- (ii) Petroleum and Minerals Pipelines (Acquisition of Right of User Inland) Act, 1962

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Company being unlisted is not required to comply with the Listing Agreements of Stock Exchange(s)/ SEBI (LODR) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors as on 31.03.2022. The Company has informed that the requirement for appointment of Independent Directors is not applicable to the Company due to exemption given to Joint Venture Company by MCA vide Notification dated 05.07.2017. However, as a good governance practice, the company has voluntarily appointed Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to directors to schedule the Board Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance & in case of shorter notice required compliance as per Companies Act, 2013 has been ensured.

Generally, all decisions at the Board and Committee meetings are carried out unanimously as recorded in the minutes of the meeting of the Board of Directors and Committee of the Board as the case may be.

We further report that

There are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that

During the audit period the Company has

- (i) Allotted 2,50,00,000 Equity Shares of Rs. 10 each aggregating to Rs.25 Crores by passing the Board resolution on 22.10.2021 to the existing shareholders on right issue basis.

REVISED INDEPENDENT AUDITOR'S REPORT

To the Members of GSPL INDIA TRANSCO Limited

Revised Report on Standalone Ind AS Financial Statements

Being a Government Company, the Comptroller & Auditor General of India has carried out supplementary audit of your Company pursuant to Provisions of Section 143 (6) of the Companies Act, 2013. The Comptroller & Auditor General has issued provisional comments on Independent Auditor's Report. On considering the comments we are hereby issuing revised Independent Auditors Report on Standalone Ind AS Financial Statements, hence we are replacing our original report which was issued on 29.04.2022.

Opinion

We have audited the standalone financial statements of **GSPL INDIA TRANSCO Limited** ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss, (statement of changes in equity) and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit/loss (changes in equity) and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAS) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements

section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter:

We draw attention to note 3 [iii] of the financial statements, which describes assessment of the management about current state of the balance section of the project which is not financially viable due to low gas supply and demand at projected route of the pipeline and as a result impairment loss has been recognized in Statement of Profit & Loss for a sum of Rs. 12802.65 lacs.

Our opinion is not modified in this matter.

Information other than the Standalone IndAS Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the Director's report, Corporate Governance report, Business Responsibility report and Management Discussion and Analysis of Annual report, but does not include the Standalone Ind AS Financial Statements and our report thereon. The Directors report, Corporate Governance report, Business Responsibility report and Management Discussion and Analysis of Annual report is expected to be made available to us after the date of this auditors' report. Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information identified above when it becomes available to us and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. When we read such other information as and when made available to us and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance,

(changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we

are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure A** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. [A] As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c. The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e. It is conveyed to us that as per notification no 463 [E] of Ministry of Corporate Affairs dated 5.06.2015, section 164 [2] is not applicable to Government Company.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

[B] With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. There is no pending litigation having material financial impact on financial position of the Company.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. [a] The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

[b] The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

[c] Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) of Rule 11 [e], as provided under [a] and [b] above, contain any material mis-statement.

v. There is no dividend declared / paid during the year.

vi. In our opinion and according to the information and explanations given to us, section 197 of the Companies Act is not applicable to the Company in accordance with notification no GSR 463 [E] dated 05.06.2015.

3. As required by section 143 [5] of the Act, our observations are submitted in Annexure C.

Annexure A to the Auditors' Report of even date

The Annexure referred to in our report to the members of GSPL INDIA TRANSCO LIMITED on accounts of the Company for the year ended on 31st March, 2022.

On the basis of such checks as we considered appropriate and according to the information & explanation given to us during the course of our audit, we report that:

i. Property, Plant & Equipment and Intangible Assets:

- (a) [A] The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment

[B] The company is maintaining proper records showing full particulars of intangible assets.

- (b) As conveyed to us, that on the 14th October, 2019 the Company has successfully commissioned its Phase-1 pipeline and major assets were put to use as a part of activities which were carried out and the same have been considered as physical verification. These assets shall be next physically verified once in 3 years' period. Other fixed assets like IT & Admin have been physically verified by Management lastly on 31st March, 2021.

Frequency of Physical Verification seems to be reasonable as per size of the company.

As there is no physical verification during the year no discrepancies are observed.

- (c) According to information and explanation given to us and on the basis of our examination of the records of the company, immovable properties shown in the balance sheet are in the name of the Company. No cases of title deeds not being in the name of company are observed.
- (d) No revaluation of property, plant and equipment (including the right of use assets) or intangible assets has been done by the Company during the period covered under Audit.
- (e) According to information and explanation given to us there is no proceeding initiated against the company for holding Benami Property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

ii. In respect of its Inventories:

- (a). Company holds project inventory and physical balance of the same is confirmed by concerned officials as on 31.03.2022. No material discrepancy has been reported by the officials during physical verification of Inventory.
- (b). Company has not taken any working capital facility from any Bank / Financial Institution.

iii. Loans & Advances:

The company during the year has not made any investments in, given any guarantee or security or granted any loans or advances which are characterized as loans, unsecured or secured, to LLPs, firms or companies or any other person.

iv. Loans, Investment & Guarantees:

According to information and explanation given to us, company has not given any loan, investment, guarantee or security to any person attracting compliance of Section 185/186 of Companies Act, 2013.

v. Deposits:

According to the information and explanation given to us, the Company has not accepted any deposits thereof directive issued by the Reserve Bank of India and the provisions of Section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under are not applicable to the Company. Further it is conveyed to us that there are no orders passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal which need to be complied with by the company.

vi. Cost Audit Records:

The Central Government has prescribed the maintenance of cost records under sub-section [1] of Section 148 of the Companies Act, 2013. Since in the Previous Year regulated turnover is less than 35 crores maintenance of cost records is not applicable to the Company.

vii. Statutory dues:

- (a). The Company is generally regular in depositing undisputed statutory dues including Goods and Service Tax, provident fund, employees' state insurance, income-tax, sales-tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities;
- (b). According to the information and explanation given to us, there are no disputed amounts payable in respect of statutory dues mentioned in point a above as on 31.03.2022.

viii. As per information and explanation provided to us there are no transaction which are not recorded in the books of accounts and surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. Default in payment of dues:

- (a) In our opinion and according to information and explanation given to us, the company has not defaulted in repayment of Loans / Borrowings/ interest to any lender.
- (b) Company is not declared as willful defaulter by any bank or financial institution or other lender.
- (c) Proceeds of term loan[s] have been applied for purpose for which the term loan[s] have been obtained.
- (d) No funds have been raised for short term purpose by the Company.
- (e) Company has not raised any funds to meet the obligations of other entities.
- (f) Company has not raised any loans by pledge of securities.

x. Fund raised by Public issue / follow on offer / term loan:

- (a). The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments).
- (b). Company has not made any preferential allotment / private placement of share or convertible debentures during the year.

xi. Frauds:

- (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) As clarified above, ADT 4 was not required to be filed.
- (c) No whistle blower complaints are informed to have been received by the company / came to our knowledge during the course of audit.

xii. Nidhi Company:

The Company is not a Nidhi Company and hence reporting is not applicable.

xiii. Transactions with related parties:

We have not come across any cases of violation of section 177 and 188 of Companies Act, 2013. Disclosures have been made in accordance with applicable Indian Accounting Standards.

- xiv. (a). Company has an internal audit system commensurate with the size and nature of its business;
- (b). Yes, reports of Internal Auditors have been considered by us.

xv. Non-Cash transactions with Directors:

In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its Directors and hence provisions of Section 192 of the Act are not applicable.

xvi. NBFC Registration:

- (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The company has not carried on any Non-Banking Financial or Housing Finance activities (NBFC or HFC) during the period under audit.
- (c) The Company is not a Core Investment Company (CIC) under the RBI regulations.

- (d) The Company is not a Core Investment Company (CIC) under the RBI regulations hence not applicable.
- xvii. In current financial year company has incurred cash losses 625.62 lac and in previous year cash loss was there for a sum of Rs. 5318.38 lacs.
- xviii. During the year there has not been any resignation of statutory auditors.
- xix. On the basis of the financial ratios, aging and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- xx. Due to past losses, CSR related compliance is not applicable to the company.
- xxi. This report being on Standalone Financial Statements, clause xxi is not applicable.

“Annexure B” to the Independent Auditor’s Report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of GSPL INDIA TRANSCO LIMITED (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for laying down and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or, that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, on the basis of information provided to us, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2022.

M. no.: 117743

Annexure C

AS required by section 143 [5] of the Act, we report as under:

A. Report on directions under Section 143 [5] of Companies Act, 2013:

1. Whether the Company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.

Reply:

We have not come across any material discrepancy in this regard.

2. Whether there is any restructuring of an existing loan or cases of waiver/write off of debts/loans/internet etc. made by a lender to the Company due to the Company's inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for? [In case, lender is a Government Company, then this direction is also applicable for statutory auditor of lender Company].

Reply:

It is conveyed to us that there is no restructuring of any loan during the period covered under Audit hence not applicable.

3. Whether funds [grants / subsidy etc] received/receivable for specific schemes from Central/State Government agencies were properly accounted for/ utilized as per its term and conditions? List the cases of deviation.

Reply:

It is conveyed to us that no funds have been received from Central / State Agencies hence not applicable.

B. Sector Specific Sub-direction under Section 143(5) of the Companies Act, 2013

Infrastructure Sector

1. Whether the Company has taken adequate measures to prevent encroachment of idle land owned by it. Whether any land of the Company is encroached, under litigation, not put to use or declared surplus? Details may be provided.

Reply:

It is conveyed to us that; the company has done fencing of lands purchased for SV stations & IPS. Where ever encroachment is noticed necessary steps have been taken including litigation.

2. Whether the system in vogue for identification of projects to be taken up under Public Private Partnership is in line with the guidelines policies of the Government? Comment on deviation if any.

Reply:

No project is conveyed to have been taken up under Public Private Partnership hence not applicable.

3. Whether system for monitoring the execution of works vis-à-vis the milestones stipulated in the agreement is in existence and the impact of cost escalation, if any, revenues/losses from contracts, etc., have been properly accounted for in the books.

Reply:

We have not come across any discrepancy in this regard.

4. Whether funds received/ receivable for specific schemes from central State agencies were properly accounted for/utilized? List the cases of deviations.

Reply:

It is conveyed to us that no funds have been received from Central / State Agencies hence not applicable.

5. Whether the bank guarantees have been revalidated in time?

Reply:

We have not come across any discrepancy in this regard.

6. Comment on the confirmation of balances of trade receivables, trade payables, term deposits, bank accounts and cash obtained.

Reply:

Balance confirmations have been obtained / sought in majority of the cases.

7. The cost incurred on abandoned projects may be quantified and the amount actually written-off shall be mentioned.

Reply:

It is conveyed to us that "no project / part thereof is abandoned as of now and accordingly no amount is written off in the books of accounts". Though during the period covered under audit, impairment provision has been made for a sum of Rs. 12802.65 lacs on balance phase.

Services Sector

1. Whether the Company's pricing policy absorbs all fixed and variable cost of production and the overheads allocated at the time of fixation of price?

Reply:

Prices are fixed at the time of Authorisation and accordingly revenue is collected. Hence not applicable.

2. Whether the Company recovers Commission for work executed on behalf of Government/ other organizations that is properly recorded in the books of accounts?
Whether the Company has an efficient system for billing and collection of revenue.

Reply:

Company does not execute any work on behalf of Government / other organisations. Hence not applicable.

3. Whether the Company regularly monitors timely receipt of subsidy from Government and it is properly recording them in its books?

Reply:

Company is not in receipt of any subsidy hence not applicable.

4. Whether interest earned on parking of funds received for specific projects from Government was properly accounted for?

Reply:

Company is not in receipt of funds from Government hence not applicable.

5. Whether the Company has entered into Memorandum of understanding with its Administrative Ministry, if so, whether the impact thereof has been properly dealt with in the financial statements.

Reply:

It is conveyed to us that the Company has not entered into Memorandum of understanding with its Administrative Ministry hence not applicable.

Trading:

Reply:

Company is not engaged in trading business hence following points are not applicable to the company.

1. Whether the Company has an effective system for recovery of dues in respect of its sales activities and the dues outstanding and recoveries there against have been properly recorded in the books of accounts?
2. Whether the company has effective system for physical verification, valuation of stock, treatment of non-moving items and accounting the effect of shortage/ excess noticed during physical verification.
3. The effectiveness of the system followed in recovery of dues in respect of sale activities may be examined and reported.

STATEMENT OF CHANGES IN EQUITY (SOCIE) FOR THE YEAR ENDED ON 31ST MARCH, 2022

A. Equity Share Capital

Year ended on 31 March 2022

Particulars	As at 1 April 2021	Changes in equity share capital due to prior period errors	Restated Balance As at 1 April 2021	Changes in equity share capital during the period	As at 31 March 2022
ISSUED, SUBSCRIBED AND PAID UP CAPITAL					
Equity Shares of ₹ 10/- each fully paid up					
No of shares	58,20,00,000	-	58,20,00,000	2,50,00,000	60,70,00,000
Amount in ₹ Lacs	58,200	-	58,200	2,500	60,700

Year ended on 31 March 2021

Particulars	As at 1 April 2020	Changes in equity share capital due to prior period errors	Restated Balance As at 1 April 2020	Changes in equity share capital during the period	As at 31 March 2021
ISSUED, SUBSCRIBED AND PAID UP CAPITAL					
Equity Shares of ₹ 10/- each fully paid up					
No of shares	49,20,00,000	-	49,20,00,000	9,00,00,000	58,20,00,000
Amount in ₹ Lacs	49,200	-	49,200	9,000	58,200

B. Other Equity

Particulars	Reserves & Surplus	Total Other Equity
	Retained earnings	
Balance at April 1, 2021	(10,047.58)	(10,047.58)
Profit for the year	(15,556.40)	(15,556.40)
Remeasurement of post employment benefit obligation, net of tax	5.09	5.09
Total comprehensive income for the year	(15,551.31)	(15,551.31)
Balance at 31 March, 2022	(25,598.89)	(25,598.89)

Particulars	Reserves & Surplus	Total Other Equity
	Retained earnings	
Balance at April 1, 2020	(3,551.46)	(3,551.46)
Profit for the year	(6,509.43)	(6,509.43)
Remeasurement of post employment benefit obligation, net of tax	13.31	13.31
Total comprehensive income for the year	(6,496.12)	(6,496.12)
Balance at March 31, 2021	(10,047.58)	(10,047.58)

Purpose of Reserves:

Retained Earnings: The amount that can be distributed by the Company as dividends to its equity shareholders is determined considering the requirements of the Companies Act, 2013. Thus, the amounts reported above may not be distributable in full.

1. Corporate information

GSPL India Transco Limited ('the Company') was incorporated on 13th October, 2011 under the Companies Act, 1956 as a subsidiary of Gujarat State Petronet Limited (GSPL). On 30th April, 2012, a joint venture agreement was executed between Gujarat State Petronet Limited (GSPL), Indian Oil Corporation Limited (IOCL), Bharat Petroleum Corporation Limited (BPCL) and Hindustan Petroleum Corporation Limited (HPCL). The shareholding pattern is GSPL (52%), IOCL (26%), BPCL (11%) and HPCL (11%). The Registered Office of the Company is situated at GSPC Bhavan, B/H Udyog Bhavan, Sector 11, Gandhinagar, Gujarat - 382011. The Company is primarily engaged in transmission of natural gas through pipeline from supply points to demand centres. The Company is also developing a natural gas pipeline for transmission of natural gas from Mallavaram in Andhra Pradesh to Bhilwara in Rajasthan. The Company has commissioned first phase of pipeline of 363 Km starting from Kunchanapalli in Andhra Pradesh to Ramagundam in Telangana on 14th October, 2019.

Authorization of financial statements

The Financial Statements were approved and authorized for issue in accordance with a resolution passed in meeting of Board of the Directors held on 29th April, 2022.

2. Significant Accounting Policies

(a) Basis of preparation

The Financial Statements are prepared in accordance with and comply in all material aspects Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant Provisions of Companies Act, 2013 and Rules there under as amended from time to time.

The financial statements are prepared on accrual basis of accounting under historical cost convention except for certain financial assets and liabilities measured at fair value.

The preparation and presentation of the financial statements requires the management to make estimates, judgments and assumptions that affect the amount reported in the financial statements and notes thereto. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that may have the most significant effect on the amounts recognized in the financial statements are as below:

- Useful lives of property, plant and equipment, right of use assets and intangible assets

Notes to standalone financial statements for the year ended 31st March, 2022

- Measurement of Defined Benefit Obligations and actuarial assumptions.
- Provisions and contingencies
- Provision for expected credit losses
- Current tax and deferred tax asset / liabilities (including uncertain tax treatment)
- Identification of investment properties
- Identification of performance obligations under contract with customers
- Timing of revenue recognition based on when the performance obligations are satisfied under contracts with customers
- Determination of lease term
- Definition of lease
- Discount rate to determine the lease liability
- Impact of COVID-19 (Pandemic)

All values are rounded to the nearest rupees in Lacs, except where otherwise indicated.

Notes to standalone financial statements for the year ended 31st March, 2022

(b) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost (net of recoverable taxes), less accumulated depreciation and accumulated impairment losses, if any. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. The cost of Property, Plant and Equipment comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and borrowing costs for assets that necessarily take a substantial period of time to get ready for their intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Interest received on mobilisation advance given to the vendor being linked with the construction activity, is considered as directly attributable to the assets yet to be commissioned. Accordingly, the same is adjusted with the Capital Work-in-progress (CWIP). Revenue expenses exclusively attributable to projects incurred during construction period are capitalized.

Any item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is charged to revenue in the Statement of Profit and Loss when the asset is derecognised.

Capital Work-in-progress (CWIP) includes expenditure that is directly attributable to the acquisition/construction of assets, which are yet to be commissioned, and project inventory.

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

(c) Intangible assets

Intangible assets acquired are measured on initial recognition at cost. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Internally generated intangibles are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Intangible assets like software, licenses, Right-of-Use of land (ROU) and Right of Way (ROW) permissions which are expected to provide future enduring economic benefits are capitalized as Intangible Assets.

Any item of intangible assets is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the intangible asset (calculated as the difference between the net disposal proceeds and the carrying amount of the intangible asset) is charged to revenue in the Statement of Profit and Loss when the intangible asset is derecognised.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

(d) Investment properties

Investment properties comprise land or buildings or part thereof (owned or taken on lease i.e. right of use asset) that are held for rental or for capital appreciation or both. An Investment property generates cash flow largely independently of the other assets held by the Company.

Property used in production or supply of goods or services and also held to earn rentals / capital appreciation is accounted separately as investment property only if portion of property held to earn rental / capital appreciation can be sold separately (or leased out separately under a finance lease). If the portions could not be sold separately, the property is investment property only if an insignificant portion is held for use in the production or supply of goods or services or for administrative purposes. Further property with provision of ancillary services to the occupants is treated as investment property if the services are insignificant to the arrangement as a whole. Investment property shall be recognised as an asset when and only when: (a) it is probable that the future economic benefits that are associated with the investment property will flow to the entity; and (b) the cost of the investment property can be measured reliably.

Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed as and when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

(e) Depreciation and Amortisation

Depreciation on gas transmission pipeline(s) is provided on straight line method (SLM) over estimated useful life as prescribed in Schedule II to Companies Act, 2013. Depreciation on other items of property, plant and equipment is provided on written down value method (WDV) as per useful life prescribed in Schedule II to the Companies Act, 2013.

The residual values are not more than 5% of the original cost of the item of property, plant and equipment. Further, in case of the Pipeline Network assets, the residual value is considered to be NIL as the said assets are technically and commercially not feasible to extract from underground.

Notes to standalone financial statements for the year ended 31st March, 2022

Depreciation on assets acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal. An item of property, plant and equipment costing up to ₹ 5000/- are depreciated fully in the year of purchase / capitalisation.

The right-of-use asset (recognised under Ind AS 116 Leases) is depreciated using the straight-line method from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

Right of Use in land is a right acquired under law and the Company has unrestricted right of entry for laying, operation and maintenance of the pipeline for indefinite period. Accordingly, RoU is considered to have an indefinite life and not amortised; however, the same is tested for impairment annually. Moreover, Right of Way (ROW) is amortised over 30 years on straight line method starting from the date of commissioning of the respective pipeline as the same is inextricably linked and dependent on useful life of gas transmission pipeline(s). Further, software is amortised at 40% on written down value method.

(f) Leases

The Company assess whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether (i) the contract involves the use of identified asset; (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of lease and (iii) the Company has right to direct the use of the asset.

As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

Certain lease arrangement includes the options to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities includes these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

Notes to standalone financial statements for the year ended 31st March, 2022

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option. For plant and machinery taken on lease, the Company has elected a practical expedient not to separate lease and non-lease component.

The lease liability is subsequently remeasured at amortised cost by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification.

The Company presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' (under respective class of the assets) and lease liabilities separately on face of the Balance Sheet. Lease payments have been classified as financing activities.

Short-term leases and leases of low-value assets:

The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognises the lease payments associated with these leases as an expense in the Statement of Profit and Loss over the lease term. The related cash flows are classified as operating activities.

As a lessor

7

Notes to standalone financial statements for the year ended 31st March, 2022**Finance lease**

Leases for which the Company is a lessor is classified as finance or operating leases. When the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

All assets given on finance lease are shown as receivables at an amount equal to net investment in the lease. Principal component of the lease receipts is adjusted against outstanding receivables and interest income is accounted by applying the interest rate implicit in the lease to the net investment.

The Company has a scheme of providing certain assets viz. mobiles, laptops, vehicles to their employees. Under the said scheme, the Company initially purchases the asset which is transferred to an employee after a specified period at book value on that date. As this arrangement has element of finance lease, the Company has derecognised the items of PPE given to employees & reclassified it as finance lease. The difference between the cost of the asset and present value (or absolute value if the present value is not material) of the consideration to be received from the employee over the lease term and at the time of transfer of ownership in the future is recognised as an employee cost over the period.

Operating lease

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term.

(g) Borrowing costs

The Company capitalises borrowing costs that are directly attributable to the acquisition or construction of qualifying assets. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. For borrowing cost capitalisation, the capital cost of a particular project is identified against a borrowing in terms of period of construction and the borrowing cost for the relevant period is added to the capital cost till the particular project is capitalised and thereafter the borrowing cost is charged to the statement of profit and loss. All other borrowing costs are recognized as expense in the period in which they are incurred and charged to the statement of profit and loss.

(h) Revenue recognition

Revenue from contracts with customers is recognised when control of the services is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those services. The Company assesses promises in the contract that are separate performance obligations to which a portion of transaction price is then allocated.

Revenue is measured based on the transaction price as specified in the contract with the customer. It excludes taxes or other amounts collected from customers in its capacity as an agent.

CIN: U40200GJ2011SGC067450

Notes to standalone financial statements for the year ended 31st March, 2022

In determining the transaction price, the Company estimates the variable consideration to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur when the uncertainty associated with the variable consideration is subsequently resolved.

The Company generally acts as principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

The Company recognises revenue from each distinct good or service over time if the customer simultaneously receives and consumes the benefits provided by the Company's performance as it performs.

Revenue from transmission of gas through pipeline is recognized over the period in which the related services are performed. Customers are billed on fortnightly basis.

Non-refundable upfront charges received towards connection charges are deferred over the period when the performance obligation is satisfied. The performance obligation as per the contractual arrangement with the customer is to deliver gas over the tenure of the contract and consequently, the connection charges are recognised over the tenure of the contract.

Contract asset is the right to consideration in exchange for goods or services transferred to the customer. Contract liability is the entity's obligation to transfer goods or services to a customer for which the entity has received consideration from the customer in advance. Contract assets (unbilled receivables) are transferred to receivables when the rights become unconditional and contract liabilities are recognised as and when the performance obligation is satisfied.

All other revenues are recognised when it can be reliably measured, and it is reasonable to expect ultimate collection. Interest income is recognised using effective interest rate (EIR) method.

Financial assets measured at fair value through profit or loss (FVTPL):

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- A. The contractual rights to the cash flows from the financial asset have expired, or
- B. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (i) The Company has transferred substantially all the risks and rewards of the asset, or
 - (ii) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- (i) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- (ii) Trade receivables or other financial assets that result from transactions that are within the scope of Ind AS 115
- (iii) Lease receivables.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial Liabilities***Initial recognition and measurement***

Financial liabilities are classified, at initial recognition, as financial liabilities measured at fair value through profit or loss (such as derivative items) and financial liabilities measured at amortised cost (such as loans and borrowings) as appropriate.

Notes to standalone financial statements for the year ended 31st March, 2022

All financial liabilities are recognised initially at fair value and, in case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liability includes loans & borrowings, lease liabilities as well as trade and other payables.

Loan and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses on EIR amortisation and derecognition are recognised in profit or loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

As per the principles of Ind AS 109, fees paid and related payments on the establishment of loan facilities are recognised as transaction costs of loan to the extent it is probable that some or all of the loan facility will be drawn down. The said facility fee is deferred and treated as a transaction cost when draw-down occurs; it is not amortised prior to the draw-down.

This category generally applies to interest-bearing loans and borrowings.

Trade and other payables

These amounts represent liability for goods and services provided to the Company prior to the end of financial year which are unpaid. Other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. Non-Current other payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest (EIR) method.

Lease Liabilities

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Subsequently, the lease liability is measured at amortised cost using the effective interest method.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet when, and only when, there is a legally enforceable right to offset the recognised amount and there is intention either to settle on net basis or to realise the assets and to settle the liabilities simultaneously.

(j) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. An impairment loss is charged to the statement of profit and loss in the year in which an asset or CGU is identified as impaired.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

(k) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

Notes to standalone financial statements for the year ended 31st March, 2022

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(l) Inventory

Inventories including stock of stores, spares, consumables and line pack gas not meant for sale in ordinary course of business are valued at weighted moving average cost.

(m) Employee benefits***Short term employee benefits***

Short Term Employee Benefits are accounted for in the period during which the services have been rendered.

Post-employment benefits and Other long-term employee benefits

Liability towards post-employment defined employee benefits such as gratuity is determined on actuarial valuation by independent actuaries at the year-end by using Projected Unit Credit method. Actuarial gains/losses arising on such defined benefit plans are recognised in Other Comprehensive Income (OCI). The Company is in the process of creating fund for Gratuity for employees. The Company pays for Defined Contribution Plan such as provident fund and super annuation; and the Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expenses in the year in which contributions to respective funds accrue. Liability towards other long-term employee benefits such as leave encashment is determined on actuarial valuation by independent actuaries at the year-end by using Projected Unit Credit method and corresponding impact is recognised as employee benefit expenses.

Employee benefits expenses including actuarial gain and losses arising on defined benefit plans are transferred to Capital Work in Progress (CWIP) till start-up of commercial operation.

Notes to standalone financial statements for the year ended 31st March, 2022**(n) Foreign currency transactions**

The Company's presentation and functional currency is INR (Indian Rupees). Transactions denominated in foreign currencies are initially recorded at the exchange rate prevailing at the time of transaction. Monetary assets and liabilities denominated in foreign currencies at year-end are reported at exchange rate prevailing on the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates prevailing at the time of the initial transactions. Exchange differences arising on settlement or translation of monetary items are recognised in statement of profit and loss.

(o) Taxation***Current Tax***

The current income tax charge is calculated on the basis of the Income Tax Laws enacted or substantively enacted at the end of the reporting period.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred taxes

Deferred tax is provided in full on temporary difference arising between the tax bases of the assets and liabilities and their carrying amounts in financial statements, deferred tax amounts of income taxes recoverable in future periods in respect of deductible temporary differences, the carry forward of unused tax losses and the carry forward of unused tax credits.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences, unused tax losses, and unused tax credits only if it is probable that future taxable amounts will be available to utilise those temporary differences, losses, and credits.

Any tax credit available such as MAT Credit Entitlement is recognised as deferred tax to the extent that it is probable that future taxable profit will be available against which the unused tax credits can be utilised. The said asset is created by way of credit to the statement of profit and loss and shown under the head deferred tax asset.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The carrying amount of deferred tax assets is reviewed at each reporting date. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

(p) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

(q) Provisions, contingent liabilities and contingent assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability is disclosed by way of notes to accounts in the case of:

- A present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- A present obligation arising from the past events, when no reliable estimate is possible;
- A possible obligation arising from the past events, unless the probability of outflow of resources is remote.

Contingent liabilities are not recognized in the financial statements but are disclosed by way of notes to accounts unless the possibility of an outflow of economic resources is considered remote.

Notes to standalone financial statements for the year ended 31st March, 2022

Contingent assets are not recognized in financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

(r) Segment Reporting

The Chief Operational Decision Maker (CODM) monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting provided to the CODM.

The Board of Directors (BoD) of the Company assesses the financial performance and position of the Company and makes strategic decisions; hence the Board of Directors are CODM. Refer note 34 for segment information.

(s) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with a remaining maturity at the date of purchase of three months or less and which are subject to an insignificant risk of changes in value.

(t) Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(u) Events occurring after the Reporting Date

Adjusting events (that provides evidence of condition that existed at the balance sheet date) occurring after the balance sheet date are recognized in the financial statements. Material non adjusting events (that are indicative of conditions that arose subsequent to the balance sheet date) occurring after the balance sheet date that represents material change and commitment affecting the financial position are disclosed in financial statements.

(v) Prepaid expense and prior period expense/income up to Rs. 5,00,000/- in each case charged to relevant head of account of current period.**(w) Recent accounting pronouncement**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below

Notes to standalone financial statements for the year ended 31st March, 2022**(i) Ind AS 103 - Reference to Conceptual Framework**

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired, and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

(ii) Ind AS 109 - Financial Instruments

The amendment clarifies that a borrower includes only fees paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the others behalf when it applies the '10 per cent' test in assessing whether to derecognise a financial liability.

(iii) Ind AS 16 - Property, Plant and Equipment: Proceeds before intended use

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment.

(iv) Ind AS 37 - Provisions, Contingent Liabilities & Contingent Assets - Onerous Contracts - Costs of Fulfilling a Contract

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

These amendments are not expected to have a significant impact on the Company's financial statements. This assessment is based on currently available information and may be subject to changes arising from further reasonable and supportable information being made available to the Company when it will adopt the respective amended standards.

(iii) Impairment of CWIP and Right of way asset

During the year ended 31st March 2022, the company has recognised an impairment loss amounting to Rs. 12,802.65 lacs, representing write down value of Rs 10,333.58 lacs from capital work-in-progress and Rs. 2,469.07 lacs from intangible assets, relating to balance section of Mallavaram-Bhopal-Bhihware-Vijapur Natural Gas Pipeline Project (MBBVPL Project).

During the year, various representations have been made by the company and Indian Oil Corporation Limited (IOCL) (26% shareholders of the company) to PNGRB and it was discussed that the project is not financially viable due to low gas supply and demand from the customers. The management has assessed that in lieu of low demand for the gas, the cash flows from balance section of the project cannot be estimated currently. Also given the nature and current state of the project, there may not be ready buyers available to determine the fair value and hence the management has assessed value in use and fair value of CWIP and Right of way intangible assets of the balance section of the project as Nil. The company has recognised the impairment loss under 'Impairment of non current assets' in the statement of profit and loss.

(i) Right of Way / Right of Use:

Right of Use (RoU) in land is a right acquired under the law and the Company has unrestricted right of entry for laying, operation and maintenance of the pipeline for indefinite period. Hence, Right of Use has an indefinite life and hence it is not amortised; however, the same is tested for impairment annually. Moreover, Right of Way (ROW) is amortised over 30 years using straight line method starting from the date of commissioning of the respective pipeline once as the same is inextricably linked and dependent on useful life of gas transmission pipeline(s).

*Includes RoU of ₹ 2,805.94 Lacs(31st March 2021: ₹ 2,797.43 Lacs)

26 Leases

Disclosures under Ind AS 116 Leases:

The Company as lessee:

Nature of the lease transaction:

The Company has taken office building and gas compressor on lease with the initial lease term of 36 months and 24 months respectively which were subsequently renewed as per the terms of the contract. Further, the Company has taken various parcels of land on lease with lease term of 99 years. Some lease contract can be renewed with mutual consent and some lease contract also contains the termination options. In certain contracts, the Company is restricted from assigning and subletting the leased assets.

Refer Note 3 Property, Plant and Equipment for the carrying amounts and amortisation expenses of the Company's Right of Use assets.

Movements in Lease Liabilities:

For statutory audit	1.51	1.51
For other services	0.45	0.25
For reimbursement of expenses	0.08	0.08
Total	2.04	1.84

30 In the opinion of management, any of the assets other than items of Property, Plant and Equipment and non-current investments have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated.

31 The balances of trade receivables, trade payables, loans & advances and deposits are subject to confirmation. Provision for all liabilities is adequate in opinion of the Company.

32 Disclosures under Ind AS 115 Revenue from Contracts with Customers

The following table provides information about receivables, contract assets and contract liabilities from contract with customers:

Particulars	(₹ in Lacs)	
	As at 31st March, 2022	As at 31st March, 2021
Unbilled revenue - Other Financial Assets (Contract Assets)	216.00	253.50
Trade receivables	795.56	596.25
Revenue received in advance - Other Non-Financial Liability	300.00	300.00
(Income recognised during the year out of opening balance - NIL (PY: NIL))		

Contract asset is the right to consideration in exchange for goods or services transferred to the customer. Contract liability is the entity's obligation to transfer goods or services to a customer for which the entity has received consideration from the customer in advance. Contract assets (unbilled receivables) are transferred to receivables when the rights become unconditional and contract liabilities are recognised as and when the performance obligation is satisfied. Performance Obligation for Gas Transmission is to transmit Natural Gas as per the contractual arrangement with the customer. Connection charges from customers are deferred over the period when the performance obligation is satisfied.

33 DISCLOSURES FOR EMPLOYEE BENEFITS AS PER INDIAN ACCOUNTING STANDARD - 19

Defined Contribution Plan:

Provident fund and superannuation fund benefits charged to Statement of Profit and Loss during the period are ₹ 42.31 Lacs and ₹ 18.63 Lacs respectively (PY: ₹ 46.06 Lacs and ₹ 21.06 Lacs respectively).

Defined Benefit Plans:

Assumptions used for valuation: In arriving at the valuation for gratuity & leave encashment following assumptions were used:

Total liability	278.90	243.68	283.99	236.75

Sensitivity Analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Expected cashflows based on past service liability

The expected cashflows during the next financial year based on past service liability are as under:

1. For gratuity - ₹ 6.79 lacs (P.Y. ₹ 6.54 lacs)
2. For leave salary - ₹ 7.82 lacs (P.Y. ₹ 7.51 lacs)

The average outstanding term of the gratuity obligations (years) as at valuation date is 13.94 years (P.Y.: 14.87 years).

(₹ in Lacs)

Sensitivity analysis - Gratuity	2021-22		2020-21	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	261.10	298.46	264.34	305.70
Withdrawal rate (10% movements)	278.49	279.28	283.10	284.90
Salary growth rate (0.5% movement)	298.41	260.98	305.56	264.28

Sensitivity analysis - Leave Salary	2021-22		2020-21	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	228.99	259.82	221.43	253.64
Withdrawal rate (10% movements)	243.91	243.44	236.62	236.87
Salary growth rate (0.5% movement)	259.78	228.89	253.53	221.38

A description of methods used for sensitivity analysis and its Limitations:

Sensitivity analysis is performed by varying a single parameter while keeping all the other parameters unchanged. Sensitivity analysis fails to focus on the interrelationship between underlying parameters. Hence, the results may vary if two or more variables are changed simultaneously. The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

34 SEGMENT INFORMATION

The Company primarily operates in the single segment of natural gas transportation business, which involves transportation of natural gas from sources of supply to end customers. The Board of Directors of the Company allocate the resources and assess the performance of the Company, thus are the Chief Operating Decision Maker (CODM). The CODM monitors the results of the business as a once, hence no separate segment needs to be disclosed. All the customers are located within India. Hence, the management believes that geographical distribution of revenue will not be applicable.

Revenue from one customer amounting to ₹ 8,242.25 Lacs (P.Y.: ₹ 3,934.91 lacs) exceeds 10% of the total revenue of the company.

35 RELATED PARTY DISCLOSURES

GSPL India Transco Limited is a joint venture between Gujarat State Petronet Limited (GSPL), Indian Oil Corporation Limited (IOCL), Bharat Petroleum Corporation Limited (BPCL) and Hindustan Petroleum Corporation Limited (HPCL). The shareholding pattern is GSPL (52%), IOCL (26%), BPCL (11%) and HPCL (11%).

Fair value of the financial assets and financial liabilities measured at amortised cost is not materially different from the amortised cost. Further, impact of time value of money is not significant for the financial instruments classified as current. Accordingly, the fair value has not been disclosed separately.

Types of inputs are:

Level I - Quoted prices in active markets for identical assets such as quoted price for an equity security on Security Exchanges

Level II - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level III - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The Company's activities expose it to variety of financial risks such as credit risk, liquidity risk, and market risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations

The Company's exposure to credit Risk is the exposure that Company has on account of services rendered to a contractual counterparty or counterparties, whether with collateral or otherwise for which the contracted consideration is yet to be received. The Company's customer base is Industrial. The Company provides for allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables. The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix.

Currently, the Company's trade receivables include single customer which is a Government Organisation and hence, there is no credit risk perceived. Please refer Note 9 for outstanding balances and ageing analysis.

Other financial assets includes loan to employees, security deposits, cash and cash equivalents, other bank balance, advances to employees etc.

- Cash and cash equivalents and Bank deposits are placed with banks/financial institution having good reputation and past track record with adequate credit rating.
- Company has given security deposit to various government authorities (like Municipal corporation, Nagarpalika, Grampanchayat, Road & building division and Irrigation department - of Government of Gujarat, credit worthy companies etc.) for the permission related to work of executing / laying pipeline network in their premises / jurisdiction. Being government authorities, the Company does not have exposure to any credit risk.
- Loan and advances to employees (for housing advances) are secured in nature and hence the Company does not have exposure to any credit risk.

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's principal sources of liquidity are cash and cash equivalents. Further, the Company had access to undrawn borrowing facilities at the end of the reporting period amounting to ₹ Nil crores (Expiring within one year) (PY: NIL).

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted

31-Mar-21	Carrying amount	Contractual cash flows		
		Total	Less than 12 months	More than 12 months
Non-derivative financial liabilities				
Borrowings				
Non-Current	68,964.95	69,122.66	-	69,122.66
Current	1,422.89	1,432.44	1,432.44	-
Financial Liabilities				
Current	9,800.30	9,784.08	9,784.08	-
Lease Liabilities				
Non-current	4.61	4.99	-	4.99
Current	2,488.23	2,552.20	2,552.20	-
Total	82,680.98	82,896.37	13,768.72	69,122.66

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to avoid excessive exposure in our foreign currency revenues and costs.

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. The Company's portfolio of borrowings comprise of a mix of fixed rate and floating rate loans which are monitored continuously in the light of market conditions.

Sensitivity analysis
Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of change in interest rates. Since no interest rate exposure is perceived on fixed rate loans, the same have been excluded from the sensitivity analysis. A reasonably possible change of 50 basis points in interest rates at the reporting date would have increased (decreased) Equity and Profit or Loss by the amount shown below:

The functional currency of the Company is Indian Rupees. The Company does not have derivative financial instruments.

37 CAPITAL MANAGEMENT

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The board of directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

The Company defines capital as total equity including issued equity capital and all other equity reserves attributable to equity holders of the Company (which is the Company's net asset value). The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings and obligations under leases, less cash and bank balances. Equity comprises all components of equity.

The Company's adjusted net debt to equity ratio was as follows.

Particulars	₹ in Lacs	
	As at March 31, 2022	As at March 31, 2021
Total liabilities	71,086.58	72,880.68
Less : Cash and bank balances	15,339.99	16,669.10
Adjusted net debt	55,746.59	56,211.58
Borrowings -	68,972.39	70,387.84
Total equity	35,101.11	48,152.42
Adjusted net debt to equity ratio	1.59	1.17
Debt equity considering only borrowings as debt	1.96	1.46

38 Due to outbreak of COVID 19 virus globally and in India, the Company's management has made initial assessment of impact on business and financial risks on account of COVID 19. Considering that the Company is in the business of gas transmission which is considered to be essential services, the management believes that the impact of this outbreak on the business and financial position of the Company will not be significant as at the date of approval of these financial statements. The management does not see any risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

39 (i) The Petroleum and Natural Gas Regulatory Board (PNGRB) has authorized the Company to lay 42" diameter pipeline for MBBVPL Project. Accordingly, pursuant to Gas Transmission Agreement executed with RFCL, the Company has laid down the initial section of 365 KMs pipeline with reduced 18" diameter (as a part of MBBVPL Project) from RGTL intersection point to RFCL Plant, Ramagundam, Telangana. The said pipeline is successfully commissioned on 14th October 2019 and gas transmission is started on 1st November 2019. Further, while the transmission services to RFCL through commissioned pipelines are provided at the PNGRB approved tariff, PNGRB vide letter dated 21.06.19, PNGRB has communicated that acceptance for deviation in laying lesser diameter (18") pipeline and its effective tariff will be decided after final decision on the configuration of MBBVPL. The Company has also requested PNGRB to revise this rate to based on 12% post tax return on capital employed, however PNGRB has communicated that such upward revision in tariff is out of question.

39 (ii) PNGRB vide its letter dated 21.06.2019 has granted initial time extension for completion of Mallavaram-Bhopal-Bhilwara-Vijaypur natural gas pipeline (MBBVPL) project till March 2020, subject to quarterly reviews of the project and achievement of certain parameters with the condition that if the progress will not be achieved as per the implementation schedule till March 2020, then the Company would not be given further time extension and the process would be initiated to levy penalty and/or terminate the authorization entirely or partially. The Company is not able to achieve these conditions for balance phase till 31.03.2022. In view of that and the facts stated herein above in para (i) the Board vide its order dated 19.03.2020 stated that it will be initiating the proceedings under section 28 and/or Chapter IX of PNGRB Act, 2006 and Board reserves right to take action against GITL. The Company has disclosed the same under the section of contingent liability.

The Company has made representations to MoPNG/Govt. of India for financial/ non-financial support for implementation of balance section of the MBBVPL Project. Secretary, MoPNG, in the meeting held on 08.12.20, clarified that it is not possible to provide VGF to bid out MBBVPL. PNGRB has also not taken any decision regarding penalty/ termination for balance section of MBBVPL project as on the balance sheet date.

39 (iii) Natural Gas Pipeline Tariff and Petroleum Products Pipeline Transportation Tariff are subject to various Regulations issued by Petroleum and Natural Gas Regulatory Board (PNGRB) from time to time. Revenue from gas transportation tariff is recognised as per the tariff discovered through bidding process and approved by Petroleum & Natural Gas Regulatory Board (PNGRB). Further, PNGRB vide its order dated 19th March, 2020 informed that the tariff for partially laid section of MBBVPL will be decided after completion of MBBVPL Project. Accordingly, the impact of the same will be considered based on the outcome of any future orders issued by PNGRB in this regard.

40 As at the balance sheet date, the Company has reviewed the carrying amounts of its assets and found that there is indications that assets have suffered impairment loss and hence impairment analysis has been done during the year and impairment loss has been provided in the statement of profit and loss.

41 RECLASSIFICATION OF COMPARATIVE FIGURES

Certain reclassifications have been made to the comparative period's financial statements to:

- enhance comparability and ensure consistency with the current year's financial statements; and
- ensure compliance with the Guidance Note on Division II - Ind AS Schedule III to the Companies Act, 2013

The Company believes that such presentation is more relevant for understanding of the Company's performance. However, this does not have any impact on the profit, equity and cash flow statement for the comparative period.

Items of balance sheet before and after reclassification as at 31 March 2021

Lease liabilities - current	-	2,488.23	2,488.23
Non current lease liabilities reclassified from other non current financial liabilities to a separate head in Balance Sheet			
Other financial liabilities - Non current	4.61	(4.61)	-
Lease liabilities - Non current	-	4.61	4.61

42 The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stake holders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.
